📍 Nairobi, Kenya

Career Objective

I am a motivated and enthusiastic beginner front end developer seeking an opportunity to apply my skills and expand my knowledge in a dynamic company. With a strong understanding of HTML, CSS and JavaScript, I am capable of creating visually appealing interfaces. As I continue to develop and refine my skills, I am committed to staying up to date with the latest advancements and best practices in front end development.

Education

2023/02 – present

Nairobi, Kenya

Diploma In Web Development

NairoBits Trust

In my educational journey, I have pursued a Diploma in Web Development which am in the process of completing. The course has provided me with a solid foundation in programming concepts such as variables and data types. I have gained hands-on experience skill working on various web development projects which have allowed me to apply the to create visually appealing websites.

2019/01 – 2022/12

Kakamega, Kenya

Kenya Certificate of Secondary Education

St. Paul's Lugari Boys High School

2011/01 – 2018/10

Nairobi, Kenya

Olympic Primary School

Work Experience

2022/04 – 2022/05

Nairobi, Kenya

Photocopying Assistant

Fanuel Kataka, Democratician Action Party

As a photocopy assistant, I was involved in operating photocopying equipment ensuring proper functioning and making sure that all necessary documents were properly organised and that any confidential information was handled with care.

Certificates

Fundamentals of Online Work,

I completed a course on the Fundamentals of Online Work-Remotask and Upwork which provided me with valuable knowledge related to online work and freelancing platforms. Completing this course demonstrates my commitment to expanding my skillset and adapting to changing work landscape.

Fundamentals of Digital Marketing

I had successfully completed a certificate on the Fundamentals of Digital Marketing which made me to be well versed in the best practices, trends and strategies that govern the Digital Marketing landscape. I have gained expertise in key areas such as Search Engine Optimisation, content marketing and email marketing.

Skills

Filming

Skilled in the basics of filming, including video production, script writing and also familiar with basic editing software and handling ensuring successful execution of filming projects.

**Flexibility | Attention to detail |
Responsibility | Organisational Skills |
Teamwork**
